

# MID-ATLANTIC CHAPTER OF MLA 2002 ANNUAL MEETING

Washington D.C. October 17 - 19, 2002

## CALL FOR PAPERS AND POSTERS

The 2002 Program Committee encourages you to participate in the next Mid-Atlantic Chapter of the Medical Library Association Meeting by submitting a proposal for either a contributed paper or poster. The theme for the conference is "**Capitolizing on Our Legacy.**" The Program Committee is excited about the opportunity to bring members together for a fruitful exchange of ideas.

Papers and posters are solicited on such topics as:

- Fundraising
- Innovative applications of technology
- Creative budgeting
- Consortia building
- Public relations and marketing
- Needs assessments
- Preparing for future changes

This is a wonderful opportunity to share information with your colleagues. Also, if you know of librarians who are working on projects or involved in research that you think might make an interesting paper or poster, please submit their names and they will be contacted by one of the coordinators.

For papers: send two copies of the abstract (250 words maximum) describing the contributed paper via e-mail to the appropriate coordinator. The first copy should list all authors and institutional affiliations. The second copy will be used in a blind review process and should not include any information identifying authors or institutions. A WRITTEN PAPER IS NOT REQUIRED. Those whose abstracts are accepted should be prepared to speak for approximately 20 minutes.

For posters: A copy of an abstract (250 words maximum) describing the poster and its purpose may be submitted via e-mail to the appropriate coordinator. List all presenters and institutional affiliations.

Submission Deadline May 31, 2002

Gabriel R. Rios
